**Notes:** There is a lot to like about this young Total Focus M794 son, he has terrific calving ease credentials with his very low birth weight, short gestation & highly rated foot structure data. Total Focus R577 is a very soft easy doing type of bull like his sire. He has a pedigree for longevity, dam Abigail E75 is still in production at 13yrs of age, we have sold many of her sons over the years at Bowen bull sales.
